The Slate Seed Company
ESTABLISHED 1866
SOUTH BOSTON, Va.

TERMS AND CONDITIONS OF SALE

The Slate Seed Company gives no warranty, Expressed or implied, as to quality, description, purity, productiveness, or any other matter of any seeds, plants, bulbs, or roots that they send out, and they will not be in any way responsible for the crop therefrom.

TERMS on Garden, Flower and Tobacco seed are 2% discount for cash within ten days from date of invoice or net 60 days. Field Seeds, Onion Sets, Potatoes, Lawn Grass, etc. are all net cash upon receipt of the invoice.

SLATE'S PACKET SEEDS

We can offer a complete line of vegetable and flower seeds put up in beautifully lithographed packets. These prove ready sellers when displayed. Further, packet goods protect your profits on small transactions. No merchant can afford to weigh out 5c and 10c lots of seed. If these small quantities are weighed out of bulk stock, there can be no profit in them but if sold from packets, you have an assured profit in each sale. Most of the vegetable seed packets retail at 5c and most of the flowers at 10c.

Price of Packets Retailing at 5c.

Dozen	\$.30
Hundred	2.25
Thousand	20.00

Price of Packets Retailing at 10c.

Dozen	\$.60
Hundred	4.50
Thousand	40.00

Price of Packets Retailing at More Than 10c.

Packets retailing at 15c or more will be billed at a proportionate price. Thus 15c packets at three times the price of 5c packets and 20c items at four times the 5c.
